TONI G. ATKINS, CALIFORNIA STATE SENATOR, DISTRICT 39
STATE CAPITOL
ROOM 4072
SACRAMENTO, CA 95814-4900

Dear Senator Atkins,

I can't tell you how disappointed I am to be writing this letter today! You are the last person I expected to completely ignore your constituents—especially those who voted for you. I suppose you are to be commended for not pandering to us—indeed, not even keeping up the pretence of caring about our input & issues and improving our quality of life. But from where I sit, such blatant disregard of voters is not only impolitic; it's also unprofessional, and just plain rude. Apparently, what I've taken to calling a *crisis of representational integrity* at my Web page

<https://she-philosopher.com/studies/California-AB-1404.html>

pervades California's liberal state government, too.

My last letter to you, asking for a simple yes or no reply, was dated 14 November 2017, and received at your Capitol office on 17 November 2017. A copy was duly posted to my website at

<https://she-philosopher.com/SCCcase/comments-on-AB1404.html>

(see Follow-Up No. 23), so that the broader public can follow along, and everyone (including your staff) can access all supporting documentation for my case, whenever they wish. Despite all this, it's been almost three months now, and there has been no response at all from your office on what is, for me, a critical and time-sensitive matter.

So, once again, I must ask: *will you fix California's flawed "Good Neighbor Fence Act of 2013" this year (2018)—yes? or no?*

Sincerely,

Deborah Taylor-Pearce
